

Just Her

Giving Women a Voice

Project n°: 2023-1-NL01-KA220-ADU-000157556

Empowered women create stronger communities

Sustainability

- Live website for use of materials, handbooks and lesson plans
- ongoing social media for related information
- Use of lesson plans on further curriculums
- Use of training on new staff
- Piloting students and teachers carrying on training with others/mentors
- Partner connections that will develop other projects
- Long term connection between communities
- Increased events for mixed communities
- Peer support networks formed
