

EMPOWERING MIGRANT & VULNERABLE WOMEN ACROSS EUROPE

After a productive start, we have many tangible results due to our strong partnership.

TO DATE WE HAVE:

CONCEPTUAL BACKGROUND & HANDBOOK

The project shows that gender inequalities worsen for immigrant and refugee women in lower social positions who feel excluded from their communities.

This guide equips adult educators with culturally sensitive strategies to help migrant and refugee women improve language skills, foster belonging, and promote inclusion for lasting impact

STORIES

This document shares the personal stories of migrant and refugee women in Europe, highlighting their challenges, resilience, and support as they navigate language barriers and integration. It honours their strength and courage in building new lives filled with hope despite adversity

LESSON PLAN

Each lesson plan features inspiring stories of remarkable women and clear objectives to guide focused, purposeful language learning.
